<b>KILL BACTERIA AND SANITIZE</b>	<b>ADDIC 2 pH 4-5.5</b>	Kills bacteria & food contaminants on contact. Eliminates farm chemical residue. A very safe, effective, non-chemical cleaner. Great for counter tops, floors and more.	Harmless but not Suitable for Drinking.
<b>FACIAL AND SKIN</b>	<b>ADDIC 1 pH 5-6.5</b>	Great astringent and face cleaner, minimize pores, sunburn relief, use on sensitive baby skin. This acidic water is free of toxins & a great body cleanser.	Harmless but not Suitable for Drinking.
<b>PURIFIED WATER</b>	<b>pH 7</b>	Pure clean water, great for taking medicine, making baby formula & powdered milk formulas.	
<b>INITIAL DRINKING LEVEL</b>	<b>LEVEL 1 Alkaline pH 8.5</b>	Stay at this level for 7-10 days. This level will attack acid reflux and digestive issues.	
<b>2ND DRINKING LEVEL</b>	<b>LEVEL 2 Alkaline pH 9</b>	Drink at this level for 5-7 days. Continues to improve digestion and increases oxygen by 50%.	
<b>FINAL DRINKING LEVEL</b>	<b>LEVEL 3 Alkaline pH 9.5</b>	The difference between 8.5 and 9.5 is that you have added 10 times more oxygen to your body.	
<b>COOKING INFUSED FOODS</b>	<b>LEVEL 4 Strong Alkaline pH 10</b>	The healthiest cooking possible. Effectively supercharge your soup, rice, pasta, steamed veggies, coffee and tea.
