

Peak Alkalinity

OPTIMAL HEALTH FROM THE INSIDE OUT

Alkaline Water Ionizer Package

Everything you need for pure, healthy alkaline water right in your home!

Our high-performance water ionizers feature ultra-efficient platinum-coated titanium plates to treat water, and a multi-stage dual carbon filtration system. Units include a next-generation SMPS 450 watt power system and MaxCool Super Cooling System. Peak Alkalinity water ionizers boast a sleek and compact design, featuring user-friendly smart touch buttons and a wide display panel. A complete auto-diagnosis system ensures that your water ionizer is long-lasting, so you can continue to easily produce pure and healthy alkaline water.

Kit Includes:

- Premium Alkaline Water Ionizer
- Installation Kit
- Prefilter w/ Installation Kit
- Replacement Filters 1 & 2
- Descaling Kit
